## ATTIRE

1. It is recommended that you wear a pair of pants over your riding pants, so that you don't get dirty during turnout.
2. For riding you should wear beige or gray riding pants (dark is fine if you don't have a light pair), a riding blouse (or shirt with a raised neck), and a dark show jacket (solid dark sweater or sweatshirt). Riding boots, dark gloves, and certified helmets are mandatory.

## **REMEMBER**

- The horse will not be judged. It is the rider's position and execution of transitions that will be judged. The rider will not be penalized for a horse's actions unless it is the rider who has done something to create the situation.
- It is the rider's responsibility to find someone to call their dressage test if they require it. Please do not ask our show staff or volunteers. They will be busy with other important jobs.
- When competing at a show you should enter in a level lower than what you are schooling. Our shows give students the opportunity to show what they already know.
- If you have a questions / problems ask an instructor (not a student or the judge).
- **HAVE FUN!!!**
- Whether or not you win, remember that you are here because you love riding. Only one person will get the first place ribbon but everyone who tries his or her best is a winner!

## **VOLUNTEERS**

Every show we require 2-3 volunteers to give out ribbons, run dressage tests, open gates.... If you are interested in volunteering at any of our shows please contact your instructor one week prior to the show. Thank you to everyone who has volunteered at our shows in the past. Without you, these shows would not be possible. We look forward to working with you in the future.
